*Les données pour le mois de novembre 2025 sont incomplètes et peuvent être sujettes à des mises à jour ultérieures

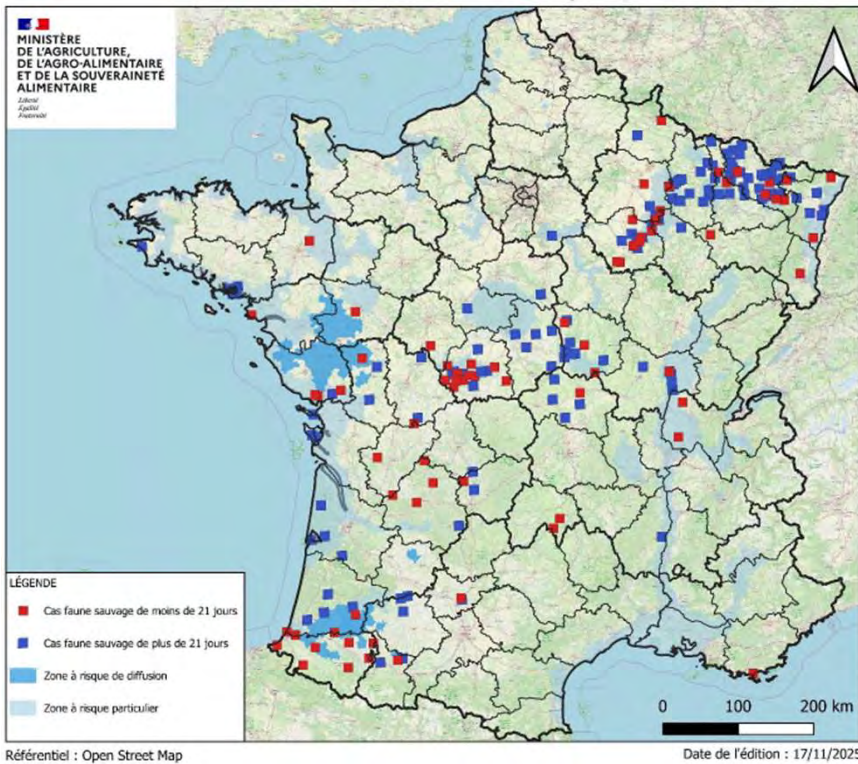

Epizootic situation in France : Wildlife

The national level of risk is **HIGH**

The HPAI risk level was raised to “HIGH” on the **22 of October 2025**.

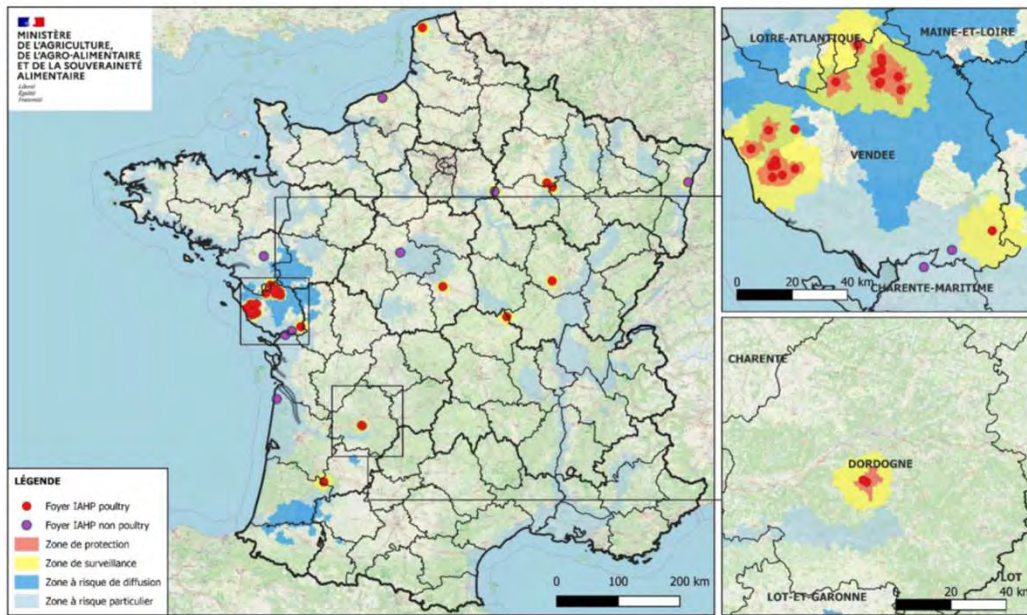

This decision entails the implementation of the following enhanced prevention and biosecurity measures:

- For the entire territory:
 - Sheltering for poultry of all species;
 - Implementation of enhanced biosecurity measures during the transport of waterfowl;
 - Specific conditions for the transport and use of decoys; Restrictions on the use of decoys depending on the category of owner;
 - Conditions prior to the movement of game birds; Ban on gatherings of birds.
- Areas at risk of spread (ZRD) :
 - Virological testing before moving palmipeds between two farms.

Epizootic situation in France : Poultry and captive birds (18/11/25)

Foyers d'IAHP et zones réglementées suite aux foyers détectés en France au 18/11/2025

Date de l'édition : 18/11/2025

EPIZOOTIC SITUATION IN VENDÉE

Epizootic situation in Vendée

Foyers d'IAHP et zones réglementées suite aux foyers détectés en Vendée au 18/11/2025

Poultry outbreaks :

- 21 outbreaks were confirmed in the Vendée between 19/10/2025 and 18/11/2025

Captive birds outbreaks :

- 1 outbreak confirmed on the 15/10/2025

Reinforced control measures:

Setting a Further Restricted Zone (FRZ) in departments 85, 44, 49 and 79

Surveillance

- **FRZ : virological test 72 hours before movement between 2 farms :** mandatory for palmipeds and turkeys held in commercial establishments.

Vaccination of ducks

- Department 85: Administration of a third dose of vaccine to all duck farms in the department.
- Departments 44, 49, and 79: Administration of a third dose of vaccine to duck farms located in ZRD zones.

Biosecurity

- Obligation to remove animals in a single operation: for duck and turkey farms in PZ
- Strict sheltering of ducks

The FRZ will be lifted on 31/12 after a favorable evaluation of the sanitary situation
